Introduction to today's Scripture Readings

The first reading - 'Will there be enough to go around?' This question has often taxed God's people. Here, the Lord says: "They will eat and have some left over".

The second reading - 'Bear with one another,' St. Paul tells us. Especially when there are things that need to be borne with!

The Gospel - Listen out for the words 'Jesus knew what he was going to do.' Our task is to trust the Lord!

Larne Parish Events for World Meeting of Families

During the significant week of events in Dublin, including the visit of Pope Francis, we will have two events in Larne to enable us all to participate in the celebrations from our own parish.

Festival of Families Afternoon Sunday 19th August

Time as a parish family to celebrate the forthcoming papal visit with a variety of activities including prayer, reflection and refreshments and lots of fun. We hope that all parishioners will find something in the afternoon programme which appeals to them.

Family Prayer

'I would like to ask you, dear families; Do you pray together from time to time as a family? Some of you do, I know. But so many people say to me: But how can we?...But in the family how is this done? After all, prayer seems to be something personal, and besides there is never a good time, a moment of peace...Yes, all that is true enough, but it is also a matter of humility, of realising that we need God...all of us! We need his help, his strength, his blessing, his mercy, his forgiveness. And we need simplicity to pray as a family: simplicity is necessary! Praying the Our Father together, around the table, is not something extraordinary: it's easy. And praying the Rosary together, as a family, is very beautiful and a source of great strength! And also praying for one another! The husband for his wife, the wife for her husband, both together for their children, the children for their grandparents...praying for each other. This is what it means to pray in the family and it is what makes the family strong: prayer.'

Pope Francis, homily at Mass in St. Peter's Square, 27th October, 2013

Family Life - A Challenging Mosaic

I thank God that many families, which are far from considering themselves perfect, live in love, fulfil their calling and keep moving forward, even if they fall many times along the way... there is no stereotype of the ideal family, but rather a challenging mosaic made up of many different realities, with all their joys hopes and problems.

Pope Francis

Prayer

Lord, when family problems arise, be our advisor and guide. Make us mindful of the need to speak and listen to one another respectfully. Keep us aware that what divides us as a family always matters less than that which unites us. Enlighten our minds and touch our hearts that we may be ready to learn from each other as well as to teach. Help us to resolve all our difficulties in peace.

Through Christ our Lord.

Amen.
